## Temperament Test

This test is based on the AKC Canine Good Citizen test combined with Volhard Puppy Aptitude test designed to assess temperament and training aptitude in young dogs. Please have the temperament tester provide results of each segment for committee review. Below is a sample of some notes made in a previous exam:

Sample:

### 1) Greeting a Friendly Stranger

*Dog was eager to meet new people. Tail wagging constantly. Handler had to remind him of his “manners” not to jump on me but he listened well and kept his happy, positive attitude.*
