ITR G1 requirements to move to Full Registration:

Age	Test	Notes	How	Results
See above	All Health Testing listed above	See notes above	See notes above	Send results by email to: registrar@tamaskan-register.com
1yr – 2yrs Recommend: 18mths – 2yrs	Temperament Testing	ITR Temperament Test form available on ITR website under "Forms"	Temperament testing to be completed by a third party. Suitable testers are: Dog Trainer, Vet technician or in some cases a qualified Dog breeder (with COB approval)	Send results by email to: registrar@tamaskan-register.com
1yr – 2yrs Recommend: 18mths – 2yrs	Conformation Evaluation	ITR Conformation Evaluation form available on ITR website under "Forms"	Conformation evaluation to be completed by a third party. Suitable testers are: Canine Conformation Judge, Dog breeder (with COB approval), or if no in person evaluation is possible you may take pictures of your dog, stacked from all sides, and send to COB for evaluation	Send results by email to: registrar@tamaskan-register.com

* Parentage by Embark can only be done if both Sire and Dam of your dog have been Embark tested.

If the Sire and Dam of your dog are not both Embark tested then you will need to provide parentage through Neogen. Contact registrars for details if you are not familiar with this testing.

Europe Registrar: Bernadette Greninger email: registrar@tamaskan-register.com

North America & Australia Registrar: Cheryl Mundry email: registrar@tamaskan-register.com

COB email: cob@tamaskan-register.com
